Among the five men enlisting in the Army at the Recruiting office at Beckley was Roger L. Cain, son of Earl Cain at Stony Bottom. He was assigned to the Marine engineer equipment and maintenance at Fort Knox, Kentucky.

Seventh U. S. Army, Germany (AHTNC)—First Lt. Kenneth B. McLaughlin, 24, son of Mr. and Mrs. Bearyl E. McLaughlin, Stony Bottom, and other members of the Seventh U. S. Army, are participating in Exercise FALLEX 64, an eight-day NATO directed and controlled training exercise in Germany, ending September 28.

The bi-annual exercise is designed to test and evaluate coordination procedures and command communications within the North Atlantic Treaty Organization (NATO) military structure in Europe. Orders and communication between headquarters command posts and the dissemination of information to lower headquarters are being stressed to insure maximum proficiency during the training exercise.

Lieutenant McLaughlin, an army aviator in the 540th Engineer Group's Headquarters Company near Kornwestheim, Germany, entered the Army in January 1963 and arrived overseas last January.

The lieutenant was graduated from Green Bank High School in 1958 and the University of Akron (Ohio) in 1962.

(AHTNC)—Private Elwood C. Galford, 22, son of Mr. and Mrs. Clark C. Galford, Smith Street, Marlinton, completed an eight-week advanced infantry course at the U.S. Army Training Center, Fort Gordon, Georgia, September 25. Galford received instruction in small unit tactics and in firing such modern weapons as the M-14 rifle and M-60 machine-gun. He entered the Army in May of this year and received basic training at Fort Gordon, Georgia. Galford attended Marlinton High School.

Private Galford left Wednesday, for Germany from Fort Dix, New Jersey.
